Terms & Conditions of Sponsorship:

Assignment of children for Sponsorship: After submitting this form, you can opt to choose a specific child OR we can assist by guiding you to the child who we feel needs it the most at the time.

Access to sponsored Child: The Sponsor will be in position to contact the child via the group email or via calls arranged via The Big Picture co-ordinator. Contact is welcomed; however, we request our Sponsors to do so via the Big Picture staff rather than exchange direct contacts.

Changes to sponsored child: If the finances of the family or other circumstances change significantly, for example if the family of a sponsored child attains a level of income where they no longer require aid or if they relocate overseas, THE BIG PICTURE will assign you a new child whose family is facing more immediate economic hardship. If this happens with your sponsored child, we will notify you as soon as possible to transfer your sponsorship to another child in need (contact with the original sponsored child may be maintained if agreeable by both parties).

Do the funds go directly to the child/child's family? When you sponsor a child through The Big Picture, you are the only individual sponsoring that child. In addition to this, the majority (minimum 90%) of the funds, go directly to the child's education needs e.g. school fees, school lunches and uniform etc. School fees are paid directly to the child's school. Remaining funds go towards the development of children in your sponsored child's community (including your sponsored child) through the projects of The Big Picture. This helps cover some of our admin costs, providing lunches for the kids and coaches on project days.

Terminating Your Sponsorship: • If THE BIG PICTURE does not receive your renewal payment, you will receive a notification email informing you that your account is overdue. A two-month grace period will be provided, after which sponsorship will be considered terminated and the sponsored child returned to unsponsored status. At this point the child will be placed on THE BIG PICTURE website so they may receive a new sponsor. You are welcome to sponsor again at any time, but THE BIG PICTURE cannot guarantee that the original child will be available to sponsor. • We encourage sponsors to support the same child throughout the course of their education for as long as they are able. This allows children to continue their education uninterrupted and facilitates a relationship between the sponsor and the sponsored child. • In the interests of the child, please try to give at least three months advanced notice if at any point you decide to discontinue your sponsorship. Contact THE BIG PICTURE by email to provide this notice.

I have read the terms and conditions above and agree to sponsor a child per those conditions for a minimum of one year:
